("Newell") agrees to sell and Purchaser agrees to buy for the price set forth in this Agreement the motor coach described herein, subject to the terms and conditions of the Coach Order ("Order"). 4. Purchaser agrees to deliver to Newell negotiable title to any property traded in as a part of the consideration for the coach ordered hereunder at the time of delivery of such trade-in property to Newell. Purchaser warrants any such property to be his/her property, free and clear of all liens and encumbrances except as otherwise disclosed and noted herein. SELLER FURTHER WARRANTS THAT THE TITLE FOR ANY SUCH TRADE-IN PROPERTY IS "CLEAR," AND CONTAINS NO WARNINGS OR NOTIFICATIONS SUCH AS "SALVAGE," "REBUILT," "JUNK," OR "REMANUFACTURED" UNLESS SUCH NOTIFICATION HAS BEEN DISCLOSED TO NEWELL IN WRITING AND ACCEPTED BY NEWELL IN WRITING PRIOR TO THE EXECUTION OF THIS CONTRACT.  5. Newell shall not be liable for failure to deliver or delay in delivering the coach covered by this Order where such failure or delay is due, in whole or in part, to any cause beyond the control of Newell.

 8. Unless specifically agreed in writing to the contrary, Newell is under no obligation to extend or arrange for the extension of any credit to complete this transaction. The Purchaser, before or at the time of delivery of the motor coach covered by this Order, will execute such forms of agreement or documents as may be required by the terms and conditions of payment or credit terms requested by the Purchaser. Such invoice may reflect adjustments to the new coach price, or if a trade-in is a portion of the consideration, the difference price, made by mutual agreement of Newell and the Purchaser. Payment by the purchaser or his/her agent of the balance due as shown on such invoice shall indicate the agreement of the purchaser to the revised coach price as shown on such invoice. Further, if a trade-in is a portion of the consideration, the difference price shown on the invoice shall constitute the agreement between the Purchaser and Newell as to the amount thereof. Consistent with industry practice, any trade-in allowance shown on this Order or on the final invoice may be higher than the actual cash value of the trade-in. Purchaser and Newell agree that, in the event a dispute arises between the parties concerning this Order or if this Order is rescinded or terminated in whole or in part for any reason, the allowance for the trade-in may not represent the actual cash value of the trade-in. The parties agree that the actual cash value of the trade-in shall be calculated as the net resale price obtained by Newell less reconditioning and servicing at Newell's normal retail prices and less ten percent allowance for Newell's overhead and selling expenses.

Third Party Supplier Agreement Addendum

1730

Purchaser may request that Newell incorporate certain customer design details or materials the customer obtains from third parties. Newell may be unfamiliar with special installation requirements or performance parameters of the design detail or installation requirements.

- b. All prices quoted by Newell and included in the Agreement or Change Orders for custom design details and materials obtained from third parties are Newell's best estimates based upon the information available. Purchaser and Newell agree that should unanticipated issues arise that increase production cost of materials or labor due to the custom nature of the detail or material, such increased costs will be charged to the Purchaser at Newell's standard labor and material pricing.
- c. Purchaser and Newell agree that the only guarantee of performance or workmanship that applies to custom details from third parties and incorporated at Purchaser's request is the guarantee provided by third party vendors or designers.
